

# DEEP SOUTH BIOSAFETY WORKER TRAINING PROGRAM

## WEBINAR SERIES

# PPE : What Always Works, What Sometimes Works, What Never Works and Why

Thursday

July  
30

12:00 – 1:00 PM CST

Cost: FREE

The webinar will discuss Personal Protective Equipment (PPE) applicable to the COVID 19 crisis. It is assumed that students are aware of standard PPE certification/requirements ( e.g. the US Department of Labor: OSHA standards for both personal and respiratory protection ). This webinar will focus on how to adapt these to the current situation, as well as crisis standards applicable when PPE may be limited/unavailable.
