TBD	Safety Training Day***	First Monday of every month (If Monday is a federal holiday, class will be held on Tuesday) Please call 570-291-0030 for customization options		Virtual

* Includes value added certifications (see course descriptions on our website www.cocciardi.com)

** In person classes will be held at each office as identified. Virtual classes require access to the internet and a computer with audio and video capability.

*** Safety training days are virtual sessions (2-8 hours) where specific OSHA topics are covered. We develop the sessions based on expressed need and provide certification for those completing the training. Watch for specific sessions or call with your requests, which may include: Bloodborne Pathogens, Lead Hygiene, Toxic Material Awareness, PPE, or other required OSHA training!

Courses qualify for ABIH, BCSP and Pennsylvania Department of Environmental Protection/ Pennsylvania Department of Health, water/wastewater treatment licensing continuing education credits. Please call for details.

For the latest updates in course offerings and dates, check out the interactive training calendar at www.cocciardi.com.

These classes are designed to meet current OSHA General Industry and Construction Safety training requirements, as well as training required by the US EPA under the Worker Protection Rule, Toxic Substance Control Act (TSCA), Resource Conservation and Recovery Act (RCRA) and Superfund Acts (CERCLA/SARA).
